Last updated **3rd March 2026** (changes shown in red)

Balance test is not included because it has a maximum and the list grows by about 5 each year, but all who have achieved the 60 seconds can think of themselves as club record holders!

High Jump record performances are included in Track & Field records.

Runs are not included in these records because we cannot guarantee consistency of distance.

Note – “Target Throw” maximum was reduced from 40 to 24 for 2010/11 season
