U15B relay	2 nd	53.6
U17M relay	3 rd	50.8

Worcester athletes in the U13, U15 and U17 age groups competed in their second UK Young Athletes league match on Sunday 22nd May. Very windy conditions had a big impact on times, heights and distances achieved. However, there were, once again, many good performances.

Worcester contributed well to both the overall result, which saw the team finish second just ahead of Radley AC and behind a combined Bicester and Banbury team. Every point was valuable as we only beat radley by 2 points. The next match is at Leamington on June 5th.
