

WAC Coach with England team in Iceland

Deirdre Elmhirst, Worcester AC's high jump coach, spent last weekend (1-3 Feb) in Iceland as the England Team Jumps Coach at the Reykjavik International Games. Below is a photo of her (2nd from the right) with the rest of the England team. Deirdre said that she really enjoyed the experience of travelling with the England team and supporting two of the top high jumpers in the UK in their competition.

Deirdre has also been selected to be the vertical jumps coach for the GB&NI team at the European U18 Championships in Italy in July. She said she is very excited about this opportunity to represent GB and spend 8 days as part of the team staff who support the athletes who get selected to go to these championships.
