

WORCESTER AC - Junior Cross Country Championships 2024

Following an inspection of the traditional Newtown Green course, we decided to revert to our "post-Covid" course on the school playing fields – which also proved to be very soft going in some areas!

The change of venue allowed plenty of support from the athlete's families.

Well done to all who competed.

The U11's ran 2 small laps = 1.86km. U13's ran 3 large laps = 3.48km.

U15's ran 4 large laps = 4.58km. U17's ran 5.68km.
